## REMARKS

SEP 17 2007

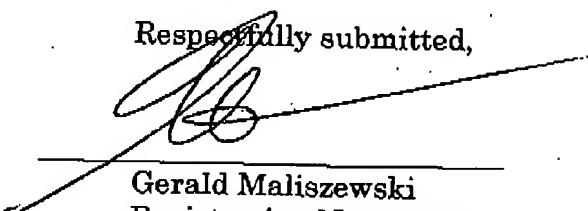

This paper is responsive of an Office Action mailed on September 12, 2007. Prior to this response, claims 1-3, 5-12, 27, and 29 were pending. Claims 1-3, 5-12, 27, and 29 remain pending.

Claims 1-3, 5-12, and 27-28 have been rejected on the grounds of nonstatutory obviousness-type double patenting over claims 1-26 of US 6,861,712. In response, the Applicant has enclosed a Terminal Disclaimer that disclaims any interest in the instant application that would extend over the expiration date of the prior patent.

It is believed that the application is in condition for allowance and reconsideration is earnestly solicited.

Respectfully submitted,

Date: 9/17/2007
